

TECHNICAL DATA E-PRO

Neutral table top display

The E-Pro range of cold units includes various types of refrigerated drawers, cabinets and worktops. Thanks to the flexible modular construction, they are easy to combine to create a customised food service system that best suits personal requirements. All units are made of stainless steel and comply with the hygiene standards for professional kitchens.

GENERAL

- All surfaces are made of stainless steels
- Products are designed for the serving of food.
- Installed onto table top or cold well.

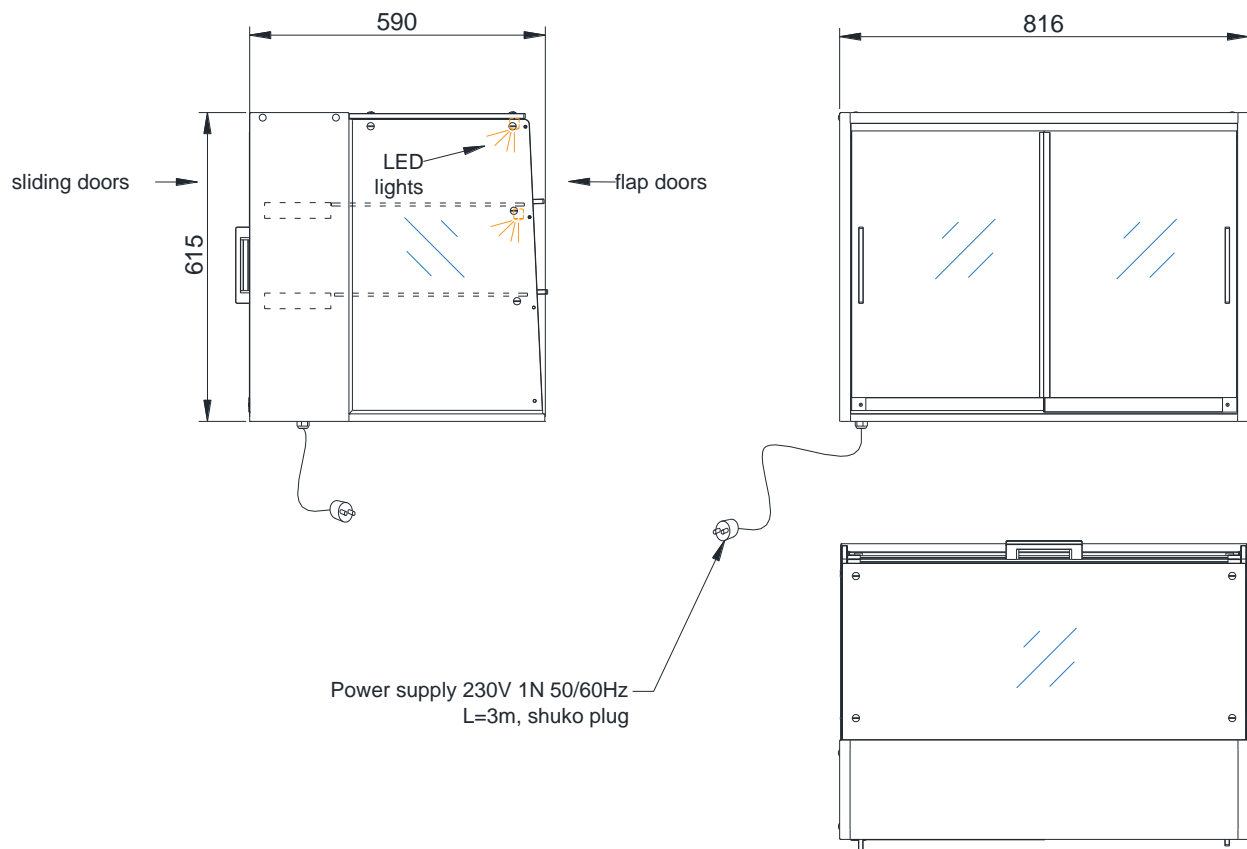

PERFORMANCE

- Powerful LED lights included as a standard feature

TECHNICAL FEATURES

- The glass display is made of safety glass and acrylic plastic with rounded corners
- All display units are CE marked

Neutral table top display, CDDN

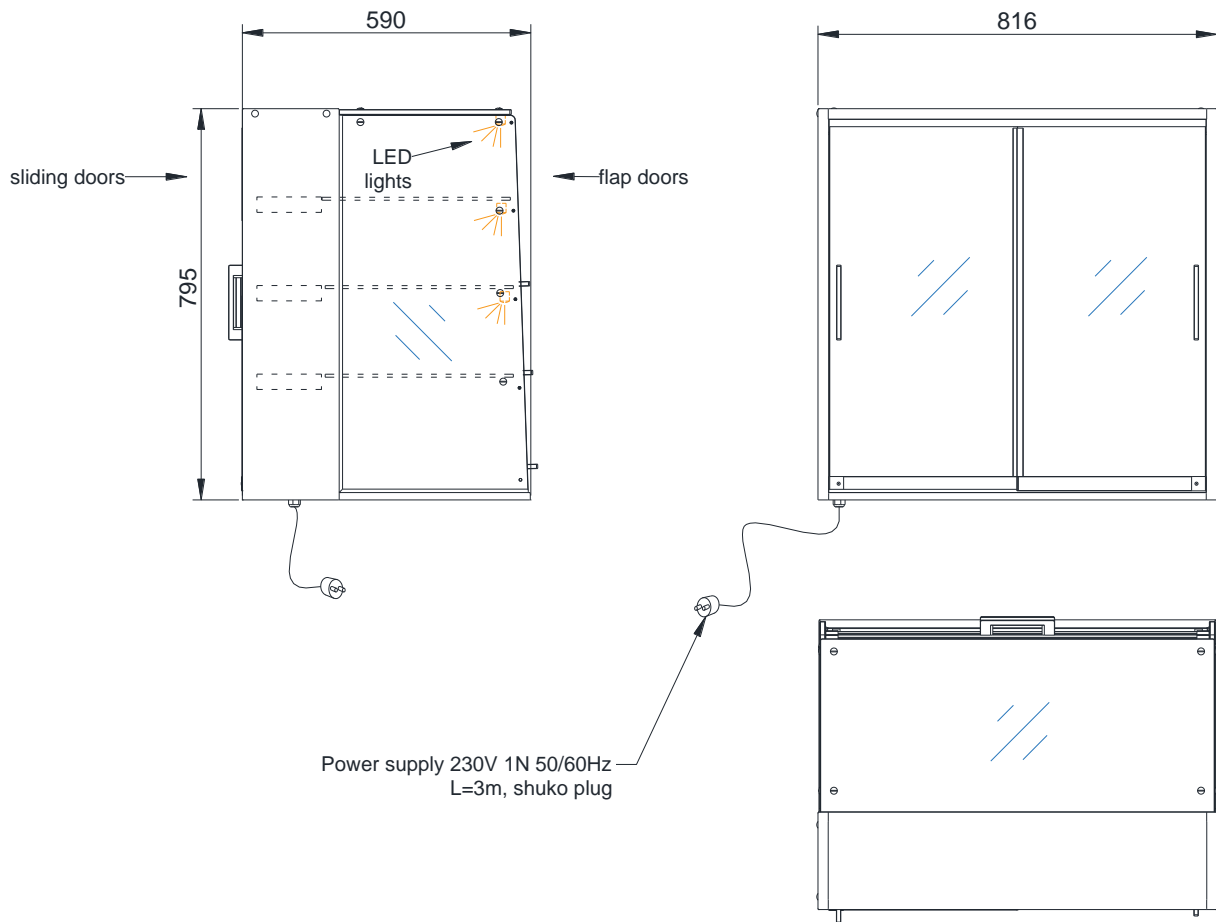

TECHNICAL DATA	
Model	CDDN-8
External dimensions w x d x h mm	816x590x615
Internal volume dm ³	280
Electrical connection V, Hz	230 1N, 50/60
Connected load kW	0,02
Enclosure class	IP44
Net weight kg	36
Unit volume m ³	0,5
Unit dimensions mm	
height	800
depth	650
width	900

Due to continuous product development we reserve the right to technical changes without notice.
